

Performance you can trust

## Foam Cleaner Spray

Powerful fast acting foodsafe foam cleaner

### Product Overview

ROCOL® Foam Cleaner Spray is a water based foam cleaner in aerosol format. It is NSF Registered category code A1 as suitable for use in and around food processing areas. The cleaner is also ideal for use in many other industrial environments.

The product produces a fast acting white foam to efficiently clean work surfaces. The foam will cling to vertical surfaces, preventing contamination by run-off or dripping.

### Typical Applications

Food preparation areas.  
Food packaging areas.  
Other industrial workplace environments.

### Features and Benefits

- Foodsafe cleaner cuts through all general grime, grease, dirt and other workplace contamination.
- Foaming action ensures long contact time for effective cleaning, even on vertical surfaces.
- Anti-static formulation.
- Ideal for all non-porous surfaces.
- Meets the requirements of The Food Safety Act 1990 and does not contain mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients etc.
- Blue spray nozzle for easy identification as a foodsafe product.

### Directions for Storage and Use

- Shake aerosol well before use.
- Test compatibility with painted or coated surfaces prior to application.
- Apply from a distance of 15 – 30 cm.
- Allow sufficient time for the foam to penetrate the contamination (typically 15 seconds).
- Wipe the surface clean with a damp cloth.
- Repeat the above cleaning procedure if required (indicated by the complete breaking of the foam).
- Rinse cleaned surfaces with potable water before returning to the processing area.
- Use only in well ventilated areas and do not apply to very hot surfaces.
- Store below +50°C, out of direct sunlight.
- Shelf life is 2 years from date of manufacture.
- Consult safety data sheet before use.

### Specifications

- ROCOL® Foam Cleaner Spray does not contain: mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients.
- FDA Group 21 CFR 178-3570
- NSF A1 Registered - 123858
