

Performance you can trust

Electraclean Spray

Residue free high performance electrical cleaner

Product Overview

ROCOL® Electraclean Spray is a solvent based cleaner in aerosol format. It is NSF Registered category code K2 as suitable for cleaning electronic instruments and devices in and around food processing areas. The cleaner is also ideal for use in many other industrial environments.

ROCOL® Electraclean Spray contains a blend of fast evaporating solvents that leave no residue. The product therefore is ideal for cleaning electrical equipment including control panels, electric motors, electrical contacts, switches etc.

Features and Benefits

- ROCOL® Electraclean Spray is a foodsafe cleaner designed to remove grime, grease and dirt from all electrical instruments and devices including control panels, motors, contacts and switches.
- ROCOL® Electraclean Spray is a highly effective, fast evaporating cleaner - dries within seconds.
- ROCOL® Electraclean Spray evaporates completely to leave a residue free surface that will not interfere with conductivity.
- Compatible with most commonly used plastics.
- ROCOL® Electraclean Spray has a 360° valve system enabling it to be sprayed from any angle.
- ROCOL® Electraclean Spray has a blue mini-jet spray nozzle for accurate application and easy identification as a foodsafe product.

Directions for Storage and Use

- Shake aerosol well before use.
- Test compatibility with plastics and rubbers and painted or coated surfaces prior to application.
- Ensure all equipment is electrically isolated before applying ROCOL® Electraclean Spray.
- Ensure all solvent has evaporated before reconnection.
- Highly Flammable avoid sources of ignition.
- Apply from a distance of 15 – 30 cm.
- The aerosol can be sprayed at any angle due to 360° valve technology.
- The cleaning operation may be enhanced by working the solvent into the surface using a clean, dry cloth.
- For heavier contamination, reapplication may be required.
- Store below +50°C, out of direct sunlight.
- Shelf life is 5 years from date of manufacture.
- Consult safety data sheet before use.

Specifications

- ROCOL® Electraclean Spray does not contain: mineral hydrocarbons, animal derived materials, nut oils or genetically modified ingredients.
- FDA Group 21 CFR 178-3570
- NSF K2 Registered – 124471

Electraclean Spray

Residue free high performance electrical cleaner

Typical Properties

Property	Test Method	Result
Appearance	Not applicable	Colourless liquid
Propellant	Not applicable	Carbon dioxide (CO ₂)
Solvent	Not applicable	Blend of hydrocarbon and alcohol
Odour	Not applicable	Characteristic
Flash Point (°C)	PMCC	<0°C
Water Solubility	Not applicable	Partially soluble
Density (kg/m ³)	RTM 3	0.72

Values quoted above are typical and do not constitute a specification.

Safety Data Sheets

Safety data sheets are available for download from our website www.rocol.com or may be obtained from your usual ROCOL® contact.

The information in this publication is based on our experience and reports from customers. There are many factors outside our control or knowledge which affect the use and performance of our products, for which reason it is given without responsibility.
